

REMARKS

The Interview Summary mailed to Applicant on June 16, 2002 indicates that the date of the interview was March 25, 2002. Applicant's records indicate that the interview occurred on April 3, 2002, rather than on March 25, 2002. Applicant notes that Applicant's reply to the last Official Action (filed by fax on April 24, 2002) described the substance of aspects of the interview, and described the interview as occurring on April 3, 2002.

The Interview Summary mailed to Applicant on June 16, 2002 also indicated that Applicant was required to file a statement of the substance of the interview. Applicant phoned Examiner Kyle today to determine whether such a statement was required. In response, Examiner Kyle stated that no such statement was needed. Examiner Kyle stated that he had received Applicant's reply to the last Official Action (filed by fax on April 24, 2002), and that he would act on the application in due course.
